Blackboard and Copyright

Do….create stable links to e-journal articles to add to your reading lists

Don't....upload PDFs from e-journals to Blackboard as this breaks the terms of the licences

Do….request any scanned book chapters or journal articles from the Library in plenty of time for your module

Don't….scan any copyrighted materials yourself for use in Blackboard

Do….add e-book links from the library catalogue to your module

Don't….copy and paste or download material from the Internet for use on Blackboard

Do....use Aston's e-resources collection to search for copyright free images, music and video

Don't….use images, music or video on Blackboard without thinking copyright

Do....ask for advice if you are not sure about the copyright status of any item

Don't….think copyright doesn't apply to you as it's for educational use
